February 2016

To Whom It May Concern:

Neuroworx is an official charity partner of Ragnar Relay Wasatch Back and a beneficiary of Ragnar's Extra Mile Charity Program. As such, there are currently many charity-team runners and volunteers fundraising on our behalf. We hope you will support their efforts by giving where you can.

This year's Ragnar Relay Wasatch Back will be held June 17-18.

Neuroworx is a licensed, outpatient, nonprofit physical therapy facility focused on providing extraordinary rehabilitative interventions for children and adults experiencing paralysis from spinal cord injuries, brain injuries, stroke and other neurological conditions. This kind of care requires special expertise, unique equipment, and generous time.

The resources that are generated from this collaborative effort will be placed in *Jan & Dale's Discretionary Fund* to be directed toward the area of greatest need as determined by the Neuroworx clinic and executive directors.

Paralysis is an overwhelming condition. Your tax-deductible gift provides our patients and their families the help and hope they need.

Our official IRS registration name is Dr Dale B Hull Foundation for Neurological Rehabilitation Inc (EIN 20-0291769), doing business as Neuroworx.

More information can be found on our website at www.neuroworx.org.

Thank you for learning about our mission. We are extremely grateful for our association with Ragnar Relay Wasatch Back, all of our Neuroworx Charity Team members, volunteers, and community partners like you. As a result, the lives of those devastated by paralysis are enhanced and hope restored.

Sincerely,

Dale B Hull
Executive Director

Jan Black
Clinic Director
